

DEAR CRUSH, YOU DON'T KNOW ME.

Dear crush, you don't know me, but we're going to be married some day. My name is Emily. I live in South Dakota. I am 11 years old. My favorite food is buttered toast. My favorite color is sea foam green. I love christmas. I love shopping. I love kittens. Do you like kittens? Hello are you there? Why don't you reply to me? Hello are you there? You make me want to kill myself but you're the reason I'm living. I hope when we meet you see me as more than a fan.
